CLACSO IN LASA, AGAINST THE BRAZILIAN COUP D' ETAT

CLACSO calls the participants of the XXXIV Congress of LASA to actively mobilize against the coup d'état in Brazil.

This important space of reflection, debate and academic deliberation that LASA offer should also become a relevant forum to express our condemnation and indignation against the dismissal of the legitimate government of Dilma Rousseff.

DEMOCRACY IS MOURNING

Let's meet at our stand and pick up the t-shirts that we made for the LASA Congress.

We invite you to wear it to the Welcome Ceremony and also during the protest defending Brazilian democracy.

WE WILL GATHER ON FRIDAY 27TH AT 7:00 PM AT THE GRAND BALLROOM WEST

DON'T MISS IT, WE NEED YOUR PARTICIPATION

We also invite you to the act in defense of democracy in Brazil that we would hold Saturday 28th at 12.30 pm at the CLACSO stand in the Books Exhibit of LASA.

We propose to use the hashtag **#LASA2016** to express our rejection of the coup in Brazil.
